**Hello everyone;**

Kentucky Derby day was a great success thanks to Mickey McDonald and family and also Mark & Sue Sullivan. Lets try and keep this an ongoing yearly event.

The house committee has brought back the meat raffles and they are going well. Friday night suppers are picking up as well and we need more volunteers to make this work. The state convention in Falmouth at Sea Crest will be June 12-14. Flag day is on June 14<sup>th</sup> but because we will just be returning from the convention we will be having the ceremony on Monday June 15<sup>th</sup> at 7:00 pm. with refreshments to follow. Pat Rooney's kindergarten class will be performing as usual. Please come and see how we, as Elks appreciate our flag and our country. Weather permitting, the ceremony will be outside and the parking lot will be blocked off so we can bring out chairs. Summer is quickly approaching. For July and August there will be only 2 meetings on the 3<sup>rd</sup> Wednesdays so we can all enjoy vacations and family outings.

Thank you & enjoy your summer.

## A Message from Grand Exalted Ruler Paul D. Helsel

To All District Deputies, Exalted Rulers, Officers and Members:

Soon a quarter of the 2009-2010 Lodge year will be behind us and the question is, are you and your Lodge ahead, behind or on schedule for a successful year. As I mentioned last month, now is the time to assess where you are and make any adjustments. If you haven't done that yet, don't wait any longer! Do it now to ensure that everything is being done to offer our programs to your community, as well as achieving growth and operational stability in your Lodge.

June is busy with many State Conventions, with everyone getting ready for the National Convention in Portland, and, of course, every Lodge conducting the mandatory Flag Day Celebration and hopefully a Father's Day tribute.

Flag Day and Father's Day are perfect for involving the community in what your Lodge does as a patriotic and community-oriented organization. It is the perfect time to show your interest and devotion to your community, country and family. Seize these opportunities to build a stronger relationship with your community and Members.

Your Lodge remains in a unique position to help your community, as well as your own membership. Lodges generally are well established and staffed with caring Elks. They are perfectly positioned to be of great support to their communities and Members. This is particularly true with today's uncertainty we are experiencing nationwide.

Reach out to your membership and community and determine what your Lodge can do to help. You certainly can continue to provide economical social opportunities for your Members, as well as a friendly facility to gather for support, discussion and possible examination of opportunities. Show your membership your concern for their well being and your Lodge's willingness to be there for them.

Do the same thing for your community and use your membership to help. Make your facilities and the expertise of your membership available to your community. Reach out and make your Lodge a leader in community support. Be a rallying point for your Members and community.

Thank you for your continuing efforts to Grow Elkdom and make our Order shine during these difficult times.

**Hon. Paul D. Helsel**

## From the Secretary's Desk

We're making some headway on getting members to pay their dues as we are down to around 120 members that have still not paid up. That's still almost 20% and I would like to see it drop further. If you receive this bulletin and are reading this message, please do the lodge a favor and see if you have a current card. If not, please send in your dues so that I can get your cards out (they are left behind the bar for anyone in town or close by). Another thing that I wanted to clear up: years on cards. Because of the new software (CLMS), your dates should now be correct. Here is what happens: on the day you get INITIATED, you start year 1 as an Elk. On the next April 1, which is the beginning of our FISCAL year, you add another year. So, for example, I was initiated on March 30, 1985 (two weeks to the day before I got married). That was year 1 for me. On April 1 (two days later), I got my new card which had year 2 on it. Fast forward to present card and it now says that I am in year 26 - EVEN THOUGH I have only been married 24 years! Go figure! I hope that clears that up (clear as mud, right?! LOL ;-)

Until next month, remember our soldiers living and deceased on Flag Day, Sunday June 14th!

**Christopher Larrivey, Lodge Secretary**

# THANK YOU!

Each year, Wayne Hittle brings Murry's kids (baseball Players) here from Maine to spend their vacation week playing Baseball. Wayne is proud of the fact that everything is donated and it has never cost our lodge anything. The Lodge only donates the hall for the boys to eat dinner each night. We had donations of money and or food so the lodge had to pay nothing for the dinners.

Thank you to Wayne Hittle for organizing the event and to all of our volunteers who gave up their time and the donations that helped make this possible!

## Scholarship Information

I want to thank the members of the Scholarship Committee for helping me out with some great applications! We were not able to offer everyone that applied because of volume, errors, and incomplete applications, however, we did award the following fourteen students scholarships: \$600 – Matthew Noel, \$500 – Brianna Albert and Devon Williams, \$300 – Brittany Mason and Kendra White, \$200 – Patrick Converse, Megan Dubrowski, Mark Jackson Jr., Gregory Leger, Aerica Lovett, Kelley Moquin, Benjamin Rogers, Tyler Schofield and Robert Stephanian. I encourage those that did not receive an award to apply again next year and wish all of these students the very best of luck in their future endeavors. Hopefully, you all received a letter stating what you need to do next. If you did not, please contact me at [secretary1274@verizon.net](mailto:secretary1274@verizon.net). ## HELP NEEDED!!!

### WE NEED YOUR HELP FOR THE FRIDAY NIGHT SUPPERS!

The Friday Night Suppers are in danger of being shut down due to the lack of volunteers. If you review your schedule and find that you have time available to volunteer, please let the H.C. know either by contacting a H.C. member, attend a H.C. meeting, drop a note in the H.C. box, signing up for individual events in the pool room, or send the H.C. an e-mail at [housecommittee1274@verizon.net](mailto:housecommittee1274@verizon.net). You can use these same contact channels to also provide your feedback in letting us know what you like, what you think needs improvement, or what you suggest for new opportunities. Beware! It will be interpreted by the H.C. that any member who offers their feedback is a member that CARES! Members who CARE may be drafted by the H.C. to serve!

We look forward to serving you this year in making your visits a pleasant and welcome experience.

The House Committee

# Meet an Elk

M. Peter Paska

After graduating from Apponequet Vocational High School, Peter went to work at the Highland Machine Co. as a machinist. Peter then went to Haveg Industries as a mechanical inspector.

Peter Joined the Navy in September of 1965. After boot camp he served at the New London Submarine Base. Inside Machine Shop where he made or repaired parts for the Submarine Service. while there, Peter was promoted to the rank of MR3 and received a letter of Appreciation from the CO of the USS Sea Robin (SS407) for repairs to stern planes of the boat.

Peter served aboard the USS Tutuila ARG4 in Viet Nam from March 1967 to March 1968 and received a Commendation for outstanding performance of duty from the CO of the Tutuila. He also earned a Vietnam Service Medal, the Republic of Vietnam Campaign Medal, the Meritorious Unit Commendation Medal & the National Defense Service Medal. He was also promoted to rank of MR2. Peter also served aboard USS Orion AS18 in Norfolk, VA until his discharge from the Navy. While in Virginia, he spent time on Shore Patrol working out of the 4<sup>th</sup> precinct Police Department. This would be the only time in his working life that Peter was not involved with a Machine Shop.

Upon discharge Peter went to work for the Instron Corporation as a machinist. During his employment, Peter held many positions during his thirty eight years there. Peter's best times were always when he was cutting metal or solving problems. While stationed in New London, he met the love of his life (Mary) and after being discharged from the service and working for Instron, Peter got the best duty ever by marrying Mary and eventually becoming a Father to Mike & Katie.

Peter became an Elk over twenty five years ago and was active from the start. He served on many kitchen crews and helped (Along with his family) with the mailing of the news letter. Peter was appointed Chaplin for two years and was also elected to serve as Loyal Knight for two years, Leading Knight for four years & eventually the Exalted Ruler for one year. Peter was the Chairman of the South District Americanism Committee and is currently serving as the Co-Chairman.

"Elk's Care - Elk's Share".... Elk's Care about the less fortunate and Elk's Share the fruits of their success with others. How do we do this? We do this by supporting all Elk's sponsored charities, in addition to our own in-house charitable raffles and programs. Time is running out to purchase and turn in raffle books that you received in the mail. Today, at every turn someone is asking for donations, buying tickets for a specific fundraiser or purchasing tickets to a fundraising event. All worthy causes. Your purchase of a raffle book will support the many charities and programs that your lodge sponsors. This is the only State Association raffle. Please support. If you have misplaced your raffle book, see your lodge Chairperson or Secretary for another book.
